COMMUNICATIONS, PETITIONS AND CLAIMS

Councilman Celebrezze - The Board of Zoning Appeals met on May 8, 2007, to discuss the variance for Alan J. Ashcroft for the property located at 7012 State Road. PPN is 450-26-014.

This is an Area variance of Section 1187.01(a) – Area regulations – Area Districts Classifications. The proposal is for a lot to have less in depth than Code allows which is zoned Single-Family AA1. Code requires a minimum lot area per dwelling with sanitary sewers to be 12,000 sq. ft. with a minimum lot size of 75' x 160'. The proposed lot area is 12,700 sq. ft. with a lot size of 100'x127'. This would result in 33' less lot depth than Code permits.

The Board of Zoning Appeals granted the variance with a 3-2 vote.

The Planning Committee of Council moved to grant the variance.

Motion made by Councilman Celebrezze, seconded by Councilman Day to grant the variance. Motion carried.

Councilman Celebrezze - The Board of Zoning Appeals met on May 8, 2007, to discuss the variance for Carol M. Lesiak for the property located at 5511 Broadview Road. PPN is 445-10-001.

This is an Area variance of Section 1197.08 (c) – Off Street Parking and Loading Facilities – Access Driveways. The proposal is for a new parking lot and would need access drive less in width than Code requires in Retail Business C 1 Zoning District. Code requires the width of entrance and exit to be a minimum of 10 feet in width. The variance would result in two feet less.

The Board of Zoning Appeals granted the variance with the stipulation that the driveway be as close to 10 feet as possible and the electric meter be moved to the back side of the house or the south side of the house which is in the best interest of the owner.

The Planning Committee of Council moved to grant the variance with the stated stipulations.

Motion made by Councilman Celebrezze, seconded by Councilman Day to grant the variance with the stipulations. Motion carried.

Communication received on May 24, 2007 from the Parma Board of Zoning Appeals for the applicant, Melissa Cob of MCG Architecture for the property located at 1825 Snow Road. PPN 445-29-001. This is the former TOPS grocery store. The request is for an "area" variance of Parma Codified Ordinances Section 1197.05(24) – Off Street Parking and Loading Facilities – Schedule of Required Parking. The proposal is for a drive-thru for a pharmacy. Code requires that pharmacies shall provide a 5 car stacking area at the drive thru. The proposal is for a 4-car stacking.

The Board of Zoning Appeals voted to grant the variance.

Mr. Germana – This variance shall be referred to the Planning Committee of Council.

Mayor – Stated that he sent down on June 1st, a memo to all members of Council
asking for this legislation to be passed. No new personnel will be added to the Mayor's
Office. This is simply transferring the position of Executive Assistant to that of Chief of
Staff. As you know, Meghann McCall has worked very hard and has done an excellent
job in his office. He believes the name change befits the duties that she has performed
over the past year and a half. The job description has been provided to Council. Many
of the duties she already performs. We have not asked for the other position of
Executive Assistant to be deleted in the event that a future administration would not
like to fill this position and in the alternative to fill the other position. They would have
that option. But both will not be funded.
